

MEMORANDUM FOR: Deputy Director for Administration

FROM: Robert W. Gambino  
Director of Security

SUBJECT: Office of Security Significant Activities  
Week of 27 September - 3 October 1979 (U)

REFERENCE: DDA Administrative Instruction No. 74-5

1. This memorandum is for information only. (U)
2. The activities of the Office of Security during the week of 27 September - 3 October 1979 were highlighted by the following items:

a. On 28 September, a representative of the Office of Security Information Systems Security Group (OS/ISSG) participated in discussions with COMSEC and the National Security Agency concerning various methods for daily activation of the SAFE encryption system. NFAC is concerned about convenience and practicality for the users of the chosen method. COMSEC and the Office of Security will also have to agree on frequency of key change, distribution and other matters related to the handling of the key material. (C)

b. On 2 October, four members of the Office met with members of the Secret Service to discuss and observe a demonstration of an automated receiver test facility. (U)

c. A representative of OS/ISSG met with DDS&T and Office of Communications personnel on 3 October to discuss and establish guidelines for operation of the DDS&T Secure Facsimile net scheduled for November installation. (C)
